

August 2nd, 2019

Building Committee Meeting.

The meeting was called to order at 10:00 A.M. by committee chair George Filiau.

Present were:

George Filiau, Stuart Hoff, James Schimpf, Pete Greenbaum, Dick Osgood, Barry Matthews, Richard Hall and Joe Polkowski.

It was reported that Tons of Tile was no longer interested as they were not able to secure financing.

Fred Hudson had e-mailed Joe to ask if we had any restrictions on what could be constructed on the property and how it was zoned. Joe had sent him that information earlier. He had also stated that he thought the appraisals were wrong and too high.

Discussion ensued and it was decided that the properties would be put into a commercial real estate agents hands to determine the fair market price.

Next meeting is scheduled for August 23rd, 2019 at the Unit 5 clubhouse at 10::00 A.M.
