Little Summer Break -TOWN CRIER will be back in October!
Sally Kruse, Editor – e-mail: sallyctr@yahoo.com

This will be the last issue of the TOWN CRIER until October. Please save this issue – it includes the events from May until September. Some of our residents leave for the summer months, but those of us who stay have a fun *summer* planned.

Please join us at Kaffeeklatch every Wednesday morning 8 – 9 a.m. to find out the latest news on what is happening in Unit 2. Sign-up sheets will be on the bulletin board for the various events planned during the summer months. We need volunteers and it's a great way to meet your neighbors and make new friends.

PRESIDENT'S CORNER

**George Filiau, President, Unit 2 Homeowners Association
(On behalf of your Homeowners Board)**

As this is the last Town Crier of the season, I will pass along the most recent events happening in the Unit. All the necessary papers regarding the purchase of the Clubhouse have been reviewed and ready to sign. Once the trustees holding the lease have signed the agreement we should be able to close within a week of that date. Plans to celebrate this special event are being planned.

At the April 16, 2018 Masters meeting held at our clubhouse, the Masters BOD voted to proceed with the installation of the "Gates". This will be a lengthy process and could take many months to complete. Once again, thanks to everyone who worked so diligently to make this happen.

We will be having a Homeowners Board meeting on May 1st at 7 p.m. The agenda will be posted as required at the clubhouse. Please attend and see how your board works for you.

Remember that "Hurricane Season" begins June 1st. If you are leaving for the summer or are going on a vacation, secure your outdoor belongings so that they do not become flying missiles. Remember to have a responsible person check on your home in your absence.
Have a great Summer.

UNIT 2 - COMMUNITY GARAGE SALE

The Mainlands Unit 2 Community Garage Sale has been scheduled for Saturday November 10th. This year we are offering our Mainlands neighbors 2 options to consider for their own sales. You can plan on using your own driveway if you have a lot of items

or you can come to the clubhouse and set up on one of our tables. We will have more details as we get closer to the date.

Some of you may not want to participate but want to help out. We have a way! In the spirit of the holidays we will begin the 1st annual donations table in the clubhouse. Please think of us if you have something special that you're no longer using or enjoying. All monies made from these donations will help fund our yearly contributions to local charities. What a great way to help out our community and declutter our homes at the same time.

Our success will be determined by our preparation! Now is the time to start thinking about items you may have that you are no longer using. With a little planning we can all have fun, make money, and help our community.

So, check those closets and see if you have anything that needs fixing and come and see our ladies. Also, if you have a button jar and wish to donate buttons for their use, please drop them off that morning at the clubhouse. Any unused buttons will be returned to you.

Mainlands homes have been appreciating at 18%/year. Interest rates are going up! NOW IS THE TIME TO BUY!

Janet & Oliver Mekeel

Oliver and Janet Mekeel, “snowbirds” for ten years always landing on the other side of US 19, decided six years ago that the “grass is greener” on the other side of the road, and decided to make Mainlands their permanent home.

They’ve been married for 55 years and wonder where the time has gone. True to the saying, “time flies when you’re having fun, and enjoying what you are doing.” They have traveled to all 50 states as well as Canada and many of the Central American countries.

The story goes that Janet’s mother babysat Oliver when he was a toddler, and that’s where their story started. Oliver was a union mason in New Jersey and Janet worked for a pharmaceutical company. After putting up with the growth of northern New Jersey, they moved to a small hamlet in upstate New York where Oliver established his own masonry business and Janet continued her education at SUNY Plattsburg where she received her Bachelor of Science and Master of Science degrees in education.

After Janet’s teaching career of 20 years, they decided to retire to Florida. Janet continued to use her teaching skills by doing substitute work for Pinellas County Schools, and Oliver continued to enjoy his retirement by reading and doing word finds.

Janet is currently the President of the Unit 2 Women’s Club; librarian at the club house, heads our pinochle group on Thursday nights, as well as volunteers at many other Unit 2 activities. When she has time, her sewing machine is busy making quilts and other handcrafts.

CELEBRATING WEDDING ANNIVERSARIES 50 YEARS & MORE

Something Special is in the works and now is the time to bring everyone up to speed. Valentine's Day, February 14th, 2019 is the date scheduled for this event, but it will take a lot of time to get ready. You see we are planning a party to honor those couples who have celebrated their 50th wedding anniversary. Of course, everyone will be invited, but the spotlight will be on the long time married couples.

So, if you are qualified – please contact Phyllis Wisehoon at (727) 577-1776 as soon as possible, especially if you will be leaving Mainlands for the summer. There are a few things we will need from you (i.e. wedding picture, etc.).

26th ANNUAL LETTER CARRIERS' FOOD DRIVE

Mainlands Unit 2 is once again having a food drive to get a head start for the Annual Mail Carrier Drive in May. There will be a mail tote placed in the clubhouse. There is a list of suggested items on the tote. Thank you all for your support! If you need someone to pick up the donation, please call Peggy Farrington, (727) 578 0313.

STAY OFF OF THE ROOF

All of our roofs are tile and might break if someone walks on them. Also, if you have your trees trimmed, be sure the tree trimmers are aware of where the limbs will fall and make sure the debris does not fall on the roof.
