NOVEMBER 2026

Mainlands Unit 2 TOWN CRIER

President's Corner

November is here and some cool weather would be nice – Right?

We just celebrated activities in October with many events wetting our appetites – Pancake Breakfast, Shrimp Boil and Pork Chop Dinner. How could we ask for better menus then that???

Good News – the Social Club has received their 501C7 permit – 50/50 here we come !! Congrats. I see where door prizes have returned to the agenda.

It's time to vote for your board members whose term has expired. It is also time to vote for your homeowners dues. Any questions, please ask myself, Alan, Karen and the office.

If you haven't noticed, we have installed permanent lights on the clubhouse and the colors can be changed to reflect any event/holiday we want. This installation will save myself and helpers from climbing ladders for the Christmas lights. My back and legs thank you.

Our Annual Board Meeting will be held on Thursday Nov. 12th at 7 PM. Please plan on attending to keep up with what is going on in your unit.

Jim Schimpf – HOA President

SOCIAL CLUB NEWS

Here we are in November already….guess what I have my Christmas tree up and decorated !! You are saying – What the heck is wrong with those Schimpfs? Story is, we had our attic sprayed and had to take everything down….so I said, why put the Christmas tree back up to take it down in another month. So for the first time in 3 years, I have put up my 7 foot tree along with 300-400 lights and ornaments….tinsel will be going up soon.

We had our 2nd Shrimp Boil on Sunday, Oct. 11th with 57 attendees. Our chefs Tom Smith, Ron Bellamy and Jim Schimpf provided us with a wonderful meal. Joyce Lyle-Freeman bakes 4 kinds of cornbread – that was a treat. Watermelon was our dessert. You missed a wonderful meal. We got to celebrate with 50/50 and door prizes. I hope those folks winning the scratch offs – did win something. Let us know. I would like to thank all the volunteers who helped with this event.

The Social Club celebrated our long-time resident – Lee Simmons who passed away in August. Her friends and family gathered on Saturday, October 17th in the afternoon to share memories of Lee's life here in Mainlands. You would always see her working bingo and playing as well. She loved her burnt hot dogs for dinner. We will miss seeing her playing bingo and giving George a hard time at 7's.

Pork Chop dinner was a sellout – 100 hungry folks showed up for our annual dinner. This event is sold out before the tickets are printed !! What does that say for the Mainlands Chefs?

Lorraine Ostrowski hosted our Annual Fall Dance. Who doesn't like to hear Tom Davis perform? We are fortunate to have him.

Dee Charpentier has returned from her travels and donated 8 table center table toppers.I have prepared 2 Christmas themed baskets for raffling. I will work on the remaining table toppers (different colors) during 2027.

I will be reporting on the Mainlands Halloween Cruise (Oct. 27-Nov. 2) in the December Town Crier.

We have our famous Scavenger Hunt coming up Nov. 8th $1.00 entry fee – Teams of 4 or less. See Cathy with questions.

Cathy will be hosting a Musical Bingo on November 14th - $5.00

I am glad to see that our clubhouse is being utilized by many people playing cards during the daytime.

Please enjoy your Thanksgiving Holiday with your friends and family.

Deception and Intrigue at the November Women's Club

The October meeting addressed ROAD SAFETY AND SAFE DRIVING with Dave Norvell who is the Volunteer Safety Officer with the Largo Police Dept. We learned the top 10 safe driving tips and much more. October Hostesses served a delicious TACO Lunch amid lovely fall decorations.

November will see A Bake Sale at the November breakfast and a special Luncheon For Unit 2 Veterans on Veteran's Day. Remember no TACO Tuesday in November and December, but we will be back in January '27

The November 9 Women's Club Meeting will feature a MURDER MYSTERY TRAIN PARTY. Be prepared for an afternoon of deception, dishonesty and intrigue as we solve a murder complete with a policeman to arrest the murderer. The Mainland's Unit 2 Murder Mystery Train will take us back to the 1960s. Get out your bell bottoms or your go-go boots. Come in costume if you wish. Meeting starts at 11:00a.m.

The November WC meeting is sometimes called the President's Luncheon, but it is a regular meeting for all members. It is a little fancier because we invite Presidents from other units to attend and see what a lovely Women's Club we have in Unit 2.

A hot catered lunch will be provided by Arden Courts Memory Care ALF coordinated by their Dementia Expert Bernadette Homan. Bernadette has been an excellent resource for WC members who have family members and friends with Dementia She has helped many. Be sure to sign up for this event so we can have an accurate catering count.

Our WC Christmas Party will be held on Dec. 14 at 11:00 at Bon Appetit Restaurant on the water in Dunedin. There is no charge for lunch but a $10 reservation fee, refunded on attendance, is required. Cheryl Tucker has tickets. Enjoy great door prizes, good friends and a wonderful lunch

Elections will be held in November for all WC offices except the 2nd VP and Chaplain, Laurie Williams volunteered to chair the nomination committee. Contact her if you wish to run for an open office. President, 1st VP, Secretary and Treasurer positions are open for 2027.

Warm Regards, LaNona Robinson, President

Hello Neighbors,

Each November, we hold a **vote** to give residents the opportunity to vote on the upcoming year's **budget**. This is a vote to "waive the reserves" and determines the cost of our monthly HOA fees.

As we prepare for that vote, I wanted to explain a few key points. The vote is to determine whether we "fully" fund or "partially" fund our 2027 budget.

There's a lot of confusion about the difference between a fully funded or partially funded budget.

Because we're a condo association, we fall under condo rules for the state of Florida. Condos are most often thought of as multi-level buildings with stairwells, elevators and all the expenses associated with multi-level housing.

Fully funding the budget takes into account the expenses a multi-level condo would have. Since we don't have these costs, we don't need to budget for them.

Partially funding the budget sets aside all the money we need to cover our community's expenses, including adding money to our reserve funds. (It's only considered "partially" funded because we aren't budgeting for the expenses a multi-level condo would need to plan for).

One other thing that should be explained. Due to the condo rules, to pass the partially-funded budget, we need **"half plus 1"** of our homes to vote "yes". This means that if a homeowner (designated voter) doesn't vote at all, it actually becomes a vote for the fully funded budget.

Now, after all that, let's talk about real number. For 2027:

- if the **fully funded budget** is passed, Unit 2's HOA fee will be **$1,789/month**.

- If the **partially funded budget** passes, Unit 2's HOA fee will be **$495/month**.

The board will never tell you how to vote, but please vote!

If you have questions, chat with your neighbors, ask at the office, or touch base with a board member.

SHRIMP BOIL

Well, we did it again – provided everyone with a wonderful shrimp boil dinner. Of course, these events don't happen without volunteers.

My many thanks to those who helped prepare the food – Larry Massingill is our resident watermelon cutter and he also put his math skills to work giving a sausage count. Ron Bellamy, Tom Smith and Jim Schimpf did the prep and were our cooks and did a wonderful job plating the meals for our hungry guests. I can always count on Joyce Lyle-Freeman to bake for our events and she provided us with 4 different kinds of cornbread. My thanks again for all the volunteers who helped with this event – check-in ladies, set up ladies and the clean up men/ladies. What would we do without George calling bingo and having technical difficulties with the bingo balls !!

Although Pull Tab Bingo was on our agenda -thank you Barbara for selling the tickets – we managed to have our first 50/50 tickets – the Massingills were in charge of that task. We took advantage of 501C7 permit and handed out 5 door prizes.

I hope everyone enjoyed the meal and we were asked about doing it again next year….we will see !!

Mainlands…Mainlands… How Are Your Houses Built?? With Cement Block and Wood.

Recently I have heard a lot of friends and neighbors commenting on how various buildings are being constructed around town. We see a lot of "Stick built" buildings. It looks like particle board with a vapor barrier wrapped around it. I am not a building expert so I don't know the type of wood product being used but I can see that many buildings are not cement block like houses in Mainlands. As a result I thought it is time we revisit how Mainlands' houses were built.

Unit 2 houses were built in 1969 or early 1970s. My house was built in 1969. From the photos attached of houses built on 100th Ave and Mainlands Blvd you will see that the Mainlands' houses were built on a slab. Photos look like a monolithic pour. The walls were cement blocks sitting on the slab. Houses had wooden roof tress systems designed to support a tile roof.

Photos attached to this article show the foundation preparation for the slab pour, a photo of the slab pour finishing, cement block walls before stucco and the roof tresses.

Houses were built with what are called Hurricane Straps today. The straps connected the walls to the roof trusses. But in 1969 and 1970, building code did not require the number of nails required in hurricane straps today. I had to add the 3rd nail to my house in order to make my house hurricane ready by today's standards.

Hope you enjoyed seeing these pictures of how our houses were built. In the Unit 2 Clubhouse library there is a photo display of several houses being built in Mainlands unit 2. You may want to stop by and take a look.

Meeting: First Monday of every month
Time: 1:30 p.m.
Location: Unit 2 Clubhouse Library

Books Books and More Books . . . . So Many Books, So little Time.

It was good to be back at book club. We have missed some meetings due to holidays, special events and members traveling over the summer. We missed our books and our friends. The October meeting was great. Our Oct. assignment was to read a book by Robert Parker. He either bored members to sleep or he was a very very easy read. So easy that some of his books became TV series.

Overall we thought his books were predictable His western novels are like watching a 1969 TV Western. No blood is shed when the bad guy is shot. The white hats always win no matter how outnumbered. If you like reading something that is a not heavy, he is your man. You will also recognize Parker's Jessie Stone novels which became TV shows.

While his books were not intellectually stimulating, events in his books brought about great discussion on various topics including the challenges of travel for women and children in the 1700s and 1800s and how this influenced the culture. This topic morphed into a rousing discussion on how fashion has influenced politics as a visual language for political messages and social protest. Book club is never dull.

We choose our November book: The Partner by John Grisham. It was chosen for a very scholarly reason: there were two copies in the library. We also choose to read a Christmas books for December. We pulled all the Christmas books we could find in the library put them in a pile and everyone chose one.

Come to Book Club. Laugh, Have Fun, Read, Discuss or Not but always Enjoy.

See you next month, LaNona Robinson

BEWARE! PROTECT YOUR HOME & YOUR INVESTMENT

THINK TWICE

BEFORE HIRING AN UNLICENSED OR UNINSURED CONTRACTOR

That contractor offering to do the job for a little less money may end up costing you **FAR MORE** in the long run.

Before allowing anyone to perform work on your home, make sure they are properly licensed, insured, and qualified for the work they are performing.

WHAT CAN GO WRONG?

YOU COULD BE RESPONSIBLE FOR INJURIES

If an uninsured worker is injured while working on your property, you could potentially face financial responsibility for the injury. Pinellas County warns that unlicensed contractors may not have the insurance coverage necessary to protect homeowners.

POOR OR INCOMPLETE WORK

Unlicensed contractors may lack the training, experience, and qualifications required for certain work. If the contractor disappears or refuses to correct defective work, you may be left paying someone else to fix it.

YOU MAY HAVE PERMIT PROBLEMS

Many types of home improvement work require permits and inspections. An unlicensed contractor may tell you that a permit isn't necessary—or ask YOU, the homeowner, to pull the permit. That can put the responsibility for the work on you.

YOUR HOMEOWNERS INSURANCE MAY NOT PROTECT YOU

Florida's DBPR warns that homeowners can face insurance and liability problems when unlicensed or uninsured individuals perform work on their property.

YOU COULD FACE A LIEN

If a contractor, subcontractor, or supplier is not paid, a lien may potentially be placed against your property—even if you already paid the person you hired.

WATCH FOR THESE RED FLAGS

Be cautious if a contractor:

- Offers a price that seems too good to be true
- Demands a large cash payment up front
- Cannot provide a verifiable license number
- Refuses to provide proof of insurance
- Says "You don't need a permit"
- Asks you to obtain the permit yourself
- Won't provide a written contract
- Uses only a cell phone number or P.O. Box
- Shows up unexpectedly offering to perform work

SMART HOMEOWNERS: DON'T RISK IT.

Protect your home, your money, and your peace of mind.

BEFORE YOU HIRE — DO YOUR HOMEWORK

1. **VERIFY THE LICENSE**
   Don't simply take the contractor's word for it. Ask for the contractor's license number and verify it with Pinellas County.
   Visit: pinellas.gov/contractorsearch
2. **VERIFY INSURANCE**
   Ask for a current Certificate of Insurance and verify that the coverage is current.
3. **GET IT IN WRITING**
   Make sure the contract clearly states:
   - What work will be performed
   - Materials
   - Price
   - Payment schedule
   - Start date
   - Completion date
   - Warranty
4. **MAKE SURE THE PROPER PERMITS ARE OBTAINED**
   If a permit is required, make sure it is properly obtained and inspections are completed.
5. **DON'T PAY EVERYTHING UP FRONT**
   Florida DBPR recommends avoiding contractors who require full payment in advance.
6. **ALWAYS GET AT LEAST TWO BIDS**
   Comparing bids helps ensure you get a fair price and quality work.
7. **CHECK WITH THE MAINLANDS OFFICE**
   You can check with the Mainlands office to see if they have information on file you are considering.

THE CHEAPEST CONTRACTOR IS NOT ALWAYS THE CHEAPEST CHOICE.
A properly licensed and insured contractor may cost more initially—but that additional cost can provide important protection for your home, your finances, and your peace of mind.

WHEN IN DOUBT — VERIFY BEFORE YOU HIRE.

Your home is one of your biggest investments. Protect it the right way.
