

# Mainlands of Tamarac Unit 2

4320 MAINLANDS BLVD NORTH, PINELLAS PARK, FL 33782

Board of Directors Meeting

Wednesday April 12, 2023 10:15 A.M.

Dear Resident:

Roofing tile suppliers will no longer be making white roofing tiles and another source cannot be located without a substantial price increase to the roof installation costs. At this meeting the Board will be voting to approve the installation of colored roofing tiles. The color choices are the decision of the Board, but they are asking for the opinion of the homeowners. The Board will be making its final decision of the roof tile colors at the meeting listed above. Question: Do you prefer one color for all of the roofs in Unit 2 or three (3) different color choices for all? Option #1: There will be only one new color option for Unit 2 Roofs. Option #2 when your roof is replaced, you will have the choice of one of three (3) different colors. Samples of the tiles are located at the Mainlands office.

Option #1 one color

Option #2 three different color choices

**IF YOU SELECTED OPTION #1 SELECT ONLY ONE COLOR.  
IF YOU SELECTED OPTION #2 SELECT THREE COLORS.**
