News from the Board:

Hello Everyone!

Hope your summer is going well and you are enjoying trips or whatever fun plans you had scheduled this summer. Not much going on since our last meeting in June. We did have a Master Meeting on June 12 at 9:30 am. There was discussion about the height of stop signs and the general maintenance of all the signs. A resident was upset about vehicles speeding through the neighborhood which is an ongoing problem. A solution was discussed about possibly have Pinellas Park Police stop vehicles that are speeding and write warnings that are turned over to the Unit Board the person is from, and the possibility of fining violators through the HOA rules. Not much else was discussed at the meeting.

We had some good news about the delinquent homeowner that owed over \$3,500.00 in HOA fees, late fees, and attorney fees. We received full payment, so we will not need to take any further action.

How do you like the new Marquee which was installed on July 14? I think it looks pretty good, and it does have more room for notices. Hope everyone else likes it too.

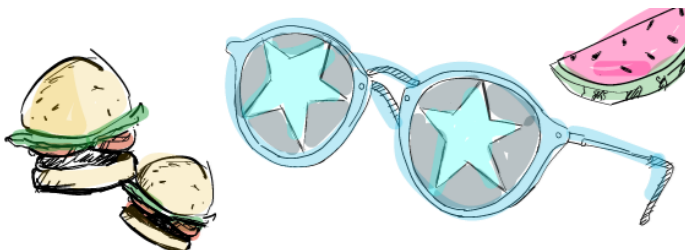

There is no Board meeting in August, but we will be having a Homeowners' Budget Question and Answer Meeting on August 21, 2025, at 6:30 p.m. We had a Planning and Budget Workshop meeting in July and there was discussion of increasing the HOA fee due to the price of services such as roofing, painting, and lawn mowing that continue to rise. We were also getting a nice return on interest rates for our saving accounts but now rates are down a couple of points, and we are not getting the same return. Our next Board of Director's Meeting will be September 4, 2025, at 6:30 p.m.

As we head into the peak of Hurricane season, I hope everyone has stocked up on non-perishable food and water. It is best to have these supplies prior to a named storm heading our way. Be safe and hope to see you all around the neighborhood.

Sincerely,

Deb Schnitzler

Homeowners' Board President

TIME TO PAINT THE HOUSES!!

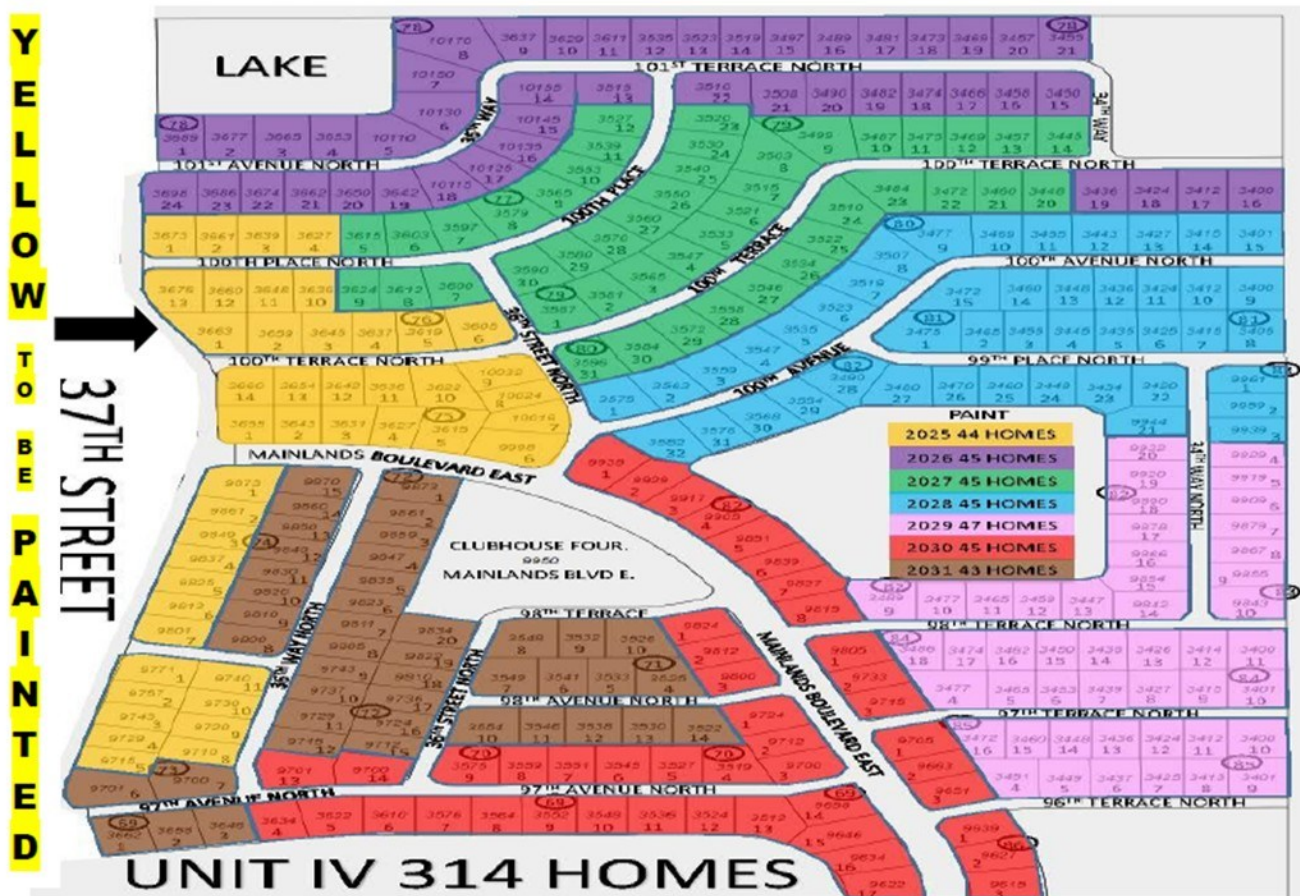

This year we will be painting the houses highlighted in **YELLOW** as shown on the paint chart below (and located in the Unit 4 Clubhouse). Pressure washing and painting of these houses are *scheduled to begin Monday, September 15, 2025*.

Homeowners in this area should have received from the office an instruction form which shows the approved shutter colors. **Please complete this form and return it to me ASAP even if you have no changes.** All forms need to be returned to me no later than Wednesday, September 3rd. If you have any special instructions, you may include them on this form.

If we do not hear from you by September 3rd, your house shutters will be painted the same color, your front door will be painted, your garage door will be painted and your awnings will be washed but not painted.

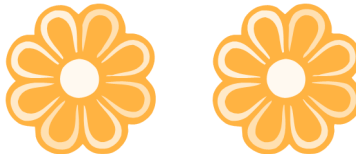

Anyone choosing a color **NOT** included on this form should submit an "Exterior Alteration Request" form for approval.

Thank you for your cooperation. If you have any questions, please contact the Unit 4 Paint Director, Nancy Buckles (727-415-6253).

So Much Summer Fun!

Social Club

Hello friends and neighbors!! So much news – so little space!! In this issue of the Four~Caster (pages 15 and 16), please find the Hurricane Prep list as well as an updated report from the City of Pinellas Park regarding hurricane preparedness. If the disaster in Central Texas tells us anything, even when we don't anticipate a need, being prepared can make the difference between life and death!

If you missed our International Potluck on July 4, you missed a bunch of fun and great food. Thanks to all who cooked and came out. Don't miss our Labor Day potluck (the usual kind, with PoFolk's chicken and your side dishes and desserts). Remember to bring your table service and BYOB!

In May, we asked for volunteers to make cookies for our Hurricane Prep workshop in June. Only one person signed up, Vicki Bessinger, and wouldn't you know, she ended up in the hospital *AFTER* she made the cookies! She had Mike leave her and bring the cookies to the event. Vicki gets our Above and Beyond award for this month!! Thanks so much!

We are still looking for folks to help us with set up before and clean up after events. Just an hour or so would help so much. Please contact any board member if you are willing to help. We have the Grown-up PJ party coming August 2 and the Labor Day Potluck on, well, Labor Day! September 1 at 1pm.

We are still in need to a Second Vice President and Secretary to join our board in January. Will you consider joining this amazing team of volunteers? You get LOTS of help and won't be thrown into anything without a life jacket!

Your Social Club Board is working diligently on plans for fall. We're planning some new events, updating old ones, and making you aware of what's happening all around us. Here are some updates;

2. Social Club General meetings will resume on Thursday Sept 18 at **6pm** (**NOTE** new time!)

Got a Little Time on Your Hands?

The Social Club Needs You!

And we do mean *a little* time. Hardly any. Just an hour now and then to help set up before or clean up after an event or meeting. Or to provide snacks for a Social Club General Meeting.

We're not asking for your life, here. Just an hour - and not even once a month. If we have enough willing people you might not even get called on for a couple of months. Or less! We're not asking you to make home-made snacks. Our residents seem to love almost any kind of treat, store-bought included. We're not asking you to be on the Social Club Board (you can if you want - we'd love to have you; but that isn't what we want here).

If you're interested, call or text Paula Termeer at (616) 334-0934 or termeer.paula@gmail.com.

Welcome August! My favorite month of the year. July has been very hot and many of our neighbors are taking off to cooler destinations for relief from the heat. Please be sure to make arrangements to leave a key with a neighbor or friend to check your home once a week while you are away. Consider shutting off your water and the power to your water heater to prevent damage in the event of an inside plumbing leak. Mainlands' homes are selling and there is less inventory of homes for sale. Pricing your property accurately is very important. I have certification as a Price Strategy Advisor (PSA) and as a Senior Real Estate Specialist (SRES). Please give me a call if you have any real estate questions. Always happy to help a neighbor!

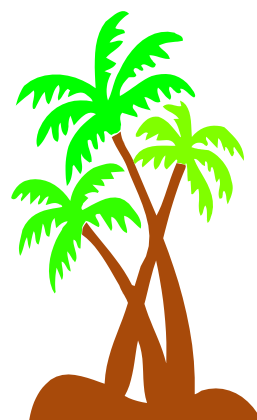

This report reflects the sales between June 13, 2025, and July 12, 2025. There are currently 29 homes listed in Mainlands' community. The prices range from \$212,000 to \$390,000. In Unit 4 there are nine active listings, one pending listing, and two sold homes this past month. Enjoy the hot August nights!

ARE YOU READY? IT'S HURRICANE SEASON!

If you missed our Hurricane Preparedness workshop in June, here's your update and essential information! We're at the beginning of hurricane season and whether this is your first season here, or just another of many, being prepared is critical to reduce damage and injury.

It's important to stay connected to local weather TV forecasts and news reports, as well as city emergency preparedness reports. If you haven't already, get the app, Ready Pinellas, for phone (Android or Apple/iPhone) at Google Play or Apple App store. Lots of us already have the app, so just ask if you need help or come out to the next Social Club General meeting for help.

You need a plan! Have you got a plan? Are you going to stay or are you bugging out to a shelter or other location? Share your plan with friends and family, as well as neighbors! Once you know what your plan is, you can begin to gather the needed supplies.

- **Important documents.**
- **Medication. Enough for at least 1 week**
- **Sanitation (wipes, antibacterial hand gel, soap, cloth).**
- **Water (at least one gallon of water for EACH person PER day).**
- **One-week supply of nonperishable food, for EACH person.**
- **Manual can opener.**
- **Batteries. Keep your phones and laptops well charged, as well as extra battery packs.**

Don't forget to get extra cash ahead of time, as well as fill the tank of your car!

The County provides a great list of basic information at <https://pinellas.gov/make-a-plan/build-your-emergency-kit/> or see the list on the next page of the Four~Caster.

Do you have **special needs**? Limited mobility? Medical equipment that requires electricity? Have a **pet** you need to consider as well? If you need assistance, register for the [Special Needs Program](#). Pinellas County can help with your pet, transportation needs and sheltering.

If you have a **pet**, you need to prepare for them as well. Make sure animals are up to date on their vaccinations and their county license is valid. Microchip your animal in case you get separated, and be sure to update your contact information if it changes. Take a photo of you and your pet. Keep it with your important documents and on your phone.

Build a pet [emergency kit](#).

If you have to evacuate, take your pets with you. Keep them on a leash or in a carrier. Wherever you end up sheltering during a storm or disaster, make sure your destination is pet friendly. You can find [locations of pet-friendly public shelters](#).

Whether staying or leaving, you need to prepare your home as well. Shutter your doors and windows, as appropriate. Lower or remove your awnings. Clear chairs and tables from patio and porch areas and remove anything that could be carried by the wind, securing indoors in a safe place. Sand bags will be available to place in front of doors and the garage door, to slow or prevent water entering. Inside, remove items (obviously not heavy furniture!) that are low to the floor and move them to higher spots, in case water does get in your home. Unplug non-essential smaller appliances.

Remember, this is not the time to procrastinate! Plan ahead to be safe and keep your home safe this hurricane season. And if you need help, ASK - your friends and neighbors, check with the Mainlands office. You're not alone - there are people able and willing to help!
