News from the Board:

Hello Everyone!

The summer is just about over, and our northern neighbors will be starting their southern migration soon. Our Homeowner's Board of Directors will be having their monthly meetings once again along with the Women's Club and Men's Club. This month's Board of Directors meeting will be Thursday, September 4 at 6:30 p.m. By now you should have received a mailing announcing our annual meeting which is coming up in October. In this packet you will also find an "intent to run for the Board." There are four seats up for election or reelection. At this time, I believe all four Board members currently occupying those seats intend to run again. Of course, this is your opportunity to run for the Board, which is a two-year commitment. I encourage anyone interested in running for the Board to complete the form and turn it in.

On August 21 we had the Homeowner's Budget and Answer meeting. Ken Krywanek our treasurer went over the budget and homeowners had the opportunity to ask questions. Due to the increase cost in roofs, paint, lawn maintenance and insurance cost we had no choice but to raise the HOA fees this year. The budget for next year will be on the agenda for the September meeting when a vote will be held to approve it.

I have received a couple of calls in regard to someone exercising on the shuffleboard courts. One of the reports was a person seen jumping rope. ***The shuffleboard courts are only to be used for playing shuffleboard and nothing else.*** Even when they are used for shuffleboard one should avoid walking on the courts so they don't get damaged.

Parking has continued to be an issue for which I get complaints on occasion. Please remember there is no parking on our streets overnight. There is no parking on lawns or sidewalks and no commercial vehicles. If you have overnight guest and you cannot fit the vehicle in your garage or driveway, parking passes can be obtained at the Mainlands' office, or if it is on a weekend or holiday a Board member can issue a pass for the clubhouse lot on 98th Terrace next to the shuffleboard courts.

I look forward to seeing everyone at the upcoming meeting and other events.

Sincerely,

Deb Schnitzler

Homeowners' Board President

Social Club

Is it September already?? How does this happen?

School has started and I noticed a segment on the local news to share. "As a new school year starts, so does a new call for volunteers to be classroom grandparents. The program is put on by Seniors in Service of Tampa Bay in partnership with Pinellas and Hillsborough County Schools. It pairs up seniors across our area with students in classrooms to offer literacy help, emotional support and one-on-one mentorship that can change lives. A win-win for teachers who might need an extra pair of hands inside the classroom and for seniors who may feel lonely.

They now need your help! They need 175 new volunteers for this new school year and are looking for classroom grandmas and grandpas. Lower-income seniors could also qualify for a small stipend if they decide to become a classroom grandparent. For more information, reach out to Seniors in Service of Tampa Bay at <https://seniorsinservice.org/>

And speaking of volunteers, we are still looking for several folks (guys – we really need you and your opinions!) to join our board. There are multiple positions available, with lots of help and support, and we are very willing to shift folks around to meet your comfort zone. **PLEASE** consider joining the Social Club Board so we have enough folks to help with projects and events and share the load. Please see me or any member of the board soon!

Women's Club

Hello Ladies!

I hope everyone enjoyed their summer! Getting ready for fall (more summer). Woman's Club meets on the second Tuesday of the month at 12:00 noon. The first meeting is September 9. We will be serving lunch and discussing our events and outings for the year.

I have information about the boat cruises. Starlite has the lunch cruise we have done in the past few years, menu is the same, but the price has gone up. Lunch cruise 1.5 - 2 hours. Board 11:30, leave 12:00; \$53.23, tax and gratuity included. Dinner cruise 2.5 - 3 hours. Board 6:30, leave 7:00; \$72.17 tax and gratuity included. The other cruise we had talked about is a private charter out of St.Pete, The Pelican. It has a three-hour chartered cruise; we pick the day and time. We talked about a nighttime cruise to see the sunset and the Skyway bridge at night. \$75.00 per person includes tax and gratuity. They have beer wine and soda on board for purchase. \$80.00 per person for light catering that would be supplied by us. The extra \$5.00 per person covers whatever we choose to do. Meaning hors d'oeuvre tray or possibly desserts. We can discuss this at our first meeting. The Woman's Club board will meet and discuss what we will cover. The Pelican cruise can only do 49 people at a time. We can discuss the possibility of two cruises if we have more that want to go.

I got an update from Deb Schnitzler on the raffle status. They are still working on it. So, no 50/50 until this issue is resolved. Our Card Party is in March. Hopefully all will be resolved by then.

If you have anything you would like to hear about or do, please let us know. I will have index cards at the meeting.

See you soon!

September is Healthy Aging Month

September is Healthy Aging Month. It reminds us of the choices we have each day to keep the quality of our life at the highest level. With aging a natural part of life and embracing it with a positive mindset, healthy aging can lead to a fulfilling and healthy lifestyle. Here are some key aspects to consider for healthy aging:

- **Stay Physically Active:** Engage in regular physical activities like walking, swimming, yoga, and light strength training.
- **Eat a Balanced Diet:** Consume a variety of fruits, vegetables, whole grains, lean proteins, and healthy fats. Stay hydrated and limit processed foods, sugar, and salt.
- **Stay Mentally Active:** Challenge your brain with activities like reading, puzzles, learning new skills, or playing musical instruments. Maintain strong social relationships.
- **Regular Health Check-ups:** Visit healthcare professionals regularly for check-ups and screenings. Stay up-to-date with vaccinations and manage chronic conditions.
- **Get Enough Sleep:** Aim for 7-9 hours of sleep each night. Establish a regular sleep routine and create a comfortable sleep environment.
- **Manage Stress:** Practice stress-reducing techniques like meditation, deep breathing exercises, and spending time in nature. Engage in hobbies and activities that bring you joy.
- **Stay Connected:** Maintain social connections through community activities, clubs, and staying in touch with loved ones. Attend events at the clubhouse. Volunteering can provide a sense of purpose.

By focusing on these aspects, we can enjoy healthier, more vibrant lives. And it's never too late to adopt healthy habits and improve the quality of our lives. A checklist for this fall:

- Make appointment with PCP for annual checkup and blood work
- Make appointment with dentist for a routine cleaning
- Make appointment with an optometrist to check eye health – so many eye diseases can be slowed by early detection and care!
- Review your health insurance coverage to see if you can find a better deal with coverage that works for you!
- Check out what's happening in the clubhouse and get involved, meet new friends, or get reconnected with old ones!

Men's Club Report

Happy Labor Day! This is the day we recognize the contributions and achievements of American workers to the nation's prosperity and strength. It also marks the unofficial end of summer with celebrated traditions of parades and BBQs.

Don't forget October 9 starts our regular Men's Club meeting.

Our September 11 lunch venue will be announced later.

Have a safe Labor Day!

Summer is coming to an end, and the temperatures will hopefully cool off a bit. We are entering the peak of hurricane season. I hope all my neighbors have their emergency plan and supplies ready. Just a reminder, if you are selling or buying a home, be aware that once you are under contract and your inspections have been completed, the buyer should secure their homeowners insurance as soon as possible. Delays in obtaining homeowner's insurance, due to storm/hurricane activity, could potentially impact the closing on the sale or purchase of the home.

This report reflects the sales between July 13, 2025, and August 12, 2025. There are currently 28 homes listed in Mainlands' community. The prices range from \$215,000 to \$475,000. In Unit 4 there are six active listings, three pending listings, and no sold homes this past month. Stay safe neighbors, and if you have any real estate needs or questions, I am here to help. Just give me a call!
