Hello everyone!

We have been working on repairing the sidewalks and the storm drains. It takes 30 days for the storm drains to cure that is why the cones are placed in the area. Please do not remove them. (If it is not yours, don't touch them). The cones belong to the vendor and they will remove them when the time comes. Joe and Diane know what they are doing and do not need the residents help. In the last forum, we stated that if you have any questions about the work being done CALL THE OFFICE.

I have been told we have about 21 numbers belonging to homeowners that have robo calls blocked. The only problem is you will not know about any updates or emergency warnings. This is up to the individual, but if you would like to receive the robo calls, please call the office and they will get you set up.

We had the inspection of the sewer line between us and Unit 6. There are a couple of places that need repair. As soon as we get on the provider's schedule this will be done.

Please remember when you sell your home you should give the fob to the pool and clubhouse to the new owner or return to the office. If not, the fobs will be disabled including the fob for the gate.

The AC unit in the kitchen should be OFF if no one is in the kitchen. It should not be set on 80 degrees.

Thank you,
Peggy

Hello Ladies!

Can you believe how quickly the summer is flying by? Before we know it, we'll be gathering again for our monthly meetings! The board members and committee chairs have been hard at work planning guest speakers, activities, and delicious lunch menus.

I'm happy to announce that our hospitality team led by Alice Ackman, has prepared a wonderful variety of luncheon menus for the upcoming season. We're looking forward to sharing good food and great company with all of you.

Georgia Chambers has spent her life sifting through other people's pasts while trying to forget her own. But her work as an expert in fine china—especially Limoges—leads her back to the one place she swore she'd never return to. A beautiful story of family, forgiveness, and second chances. Available on Amazon, Audible, and Libby.

Unit 5 Social Club News

JoAnn Fabrizio, President

Hopefully, everyone is enjoying our long, hot summer. I know many people have been visiting family and friends across the country. The Social Club is not having official meetings until September, however, we have continued the potluck dinners and had a guest speaker in July talking about scams and frauds. In the future, we will have the fire department come to show us how to use the defibrillator and other life-saving techniques. Officer Sorice will be back again, talking about how we can protect ourselves.

Regarding "Helping Hands" I want to thank those who volunteered to host our monthly Coffee Connection. There is a list on the Social Club message board in the back of the clubhouse where we have still several months to host. In addition, we are still looking for people to be Crew Chiefs for Pancake Breakfast. Please call me if you will volunteer for these positions.

We are also in need of a moderator for chair volleyball on Thursdays to set up the court.

"Save the Date" August 23rd for Unit 5 for our Karaoke/Ice Cream Sundae event. A Village Inn representative will be there making waffles for us. There will be a \$1 reservation ticket required so that we know how many people are coming. I am sure many of you will participate in the singing.

In coming months we will have many activities planned including The Newlywed Game, Italian Night and a Halloween Party. If you have any questions or suggestions, please call or message me.
