## **Board of Directors President**

*Peggy Bartolotta-Whyte*

Well, it looks like summer is here. Hopefully the rain will cool us off.

We have approved Strafford to cut down and stump grind four Washington palms from the clubhouse common area and the common area located behind 9145 41st Street. The cost will be \$2,475. They will be replaced.

We will be removing the Clubhouse phone. This will save us \$86.00 a month and no one uses it. It is 2026 and everyone has a cell phone.

All the outdoor rule updates were approved. The new changes were mailed to everyone. This will give the homeowners a chance to update their homes and these changes will look great.

Our next CD will mature on June 2nd, 2026. The CD's are laddered so the maturity dates range from 2026 to 2031.

As of April 30th our surplus is \$3,000,205.14.

We are continuing to invest in our fixed assets to maintain their structural integrity, for example, the sewer system, fire hydrants, clubhouse, the pool and etc.

We continue to monitor our investment options to obtain the highest yield possible with safety and return on investments are our primary objectives.

The approved fully funded budget is posted on the bulletin board.

We approved GA Nichols phase 2, 42nd Way N, to repair sewer line pipe that is cracked in multiple places and weeping in ground water within a 5 foot section. The cost will be \$8,200.00

If you are not on the robo call list, I would suggest you get in touch with the office to put you on the list. If there is ever an emergency you will be notified.

Remember, to be prepared to lose once in a while.

Thank you, Peggy

## WOMEN'S CLUB

Barbara Terry 804-467-1647

Hello Ladies!

Well, I survived my first year as President of the WC! I truly couldn't have done it without the incredible support of my Executive Board, committee members, and all of you. Thank you so much for your encouragement, hard work, and dedication throughout the year.

Together, we had a very successful year with our fundraising efforts, raising money for several local women-based organizations. You should all be very proud of the generosity, compassion, and community spirit our club continues to show.

I hope each of you has a wonderful and relaxing summer. Whether you're traveling, spending time with family and friends, or simply enjoying some well-deserved downtime, please stay safe and enjoy every moment.

Looking forward to seeing everyone again in the fall!

Warm regards,  
Barbara

## BEAR CREATIONS

Kathy Bortscheller -217-9217

Bear Creations has been a successful venture taken on by Unit 5. We create dressed bears for Cancer patients at St. Anthony Hospital in St. Petersburg, the Infusion Dept in the medical building and the Radiation Department.

We will meet again in September, the 4<sup>th</sup> Monday at 12:30pm-2pm at the clubhouse.

We also give cancer bears to anyone in Mainlands, friends, or relatives that need a bear.

Thank you to all those that volunteer their time and talents.

If you would like to help with this project or have any questions, please contact me at 217-9217
