Board of Directors President

Peggy Bartolotta-Whyte

Hello Everyone,

The rain is helping the grass be healthy and also cooling off the temperature a bit.

Please remember, in Unit 5, you are not allowed to have any political flags or signs on your property. Also, any work done outside the home needs an alteration request. If you are a repeat offender of doing work outside the home without the request, we will have to fine you and we can make you take up the project. Please read your rules for more information.

Please be careful of spam calls. The latest is the one where they say you missed jury duty. This was on the news and is nationwide. Just hang up on them.

If Matthews has to skip a week of mowing it is because the ground is too wet. So be patient, it will get mowed.

We are working on 4 sewer lines in phase 1 that have severe damage that will be repaired or replaced. The residents on those blocks will get a robo call when the work begins.

Harry has been working hard at the clubhouse, pool and shuffleboard court. He has saved us a lot of money. We are lucky to have him in our corner. I want to thank Harry for his upbeat attitude whenever he is needed. In fact, all the members of the Board work hard for the residents of Unit 5.

The shower at the pool will be replaced with one that we can clean. This will happen soon.

Our next meeting will be on **September 8th, 2026 at 7pm** at the clubhouse. Come and join us!

Spend less time worrying who is right, and more time deciding what is right.

Thank you,

Peggy

Stop Scrambling for Plywood. Professional Hurricane Shutters — Installed Before Storm Season.

Cat 5-Rated. Florida Product Approved. Licensed Contractor.

HOW IT WORKS

Three Simple Steps to Storm-Ready

01

We Measure and Install

We visit your home, measure every window and door opening, and install a permanent anchor system — done once, lasts for years.

02

You Deploy in Minutes

When a storm watch is issued, slide your custom-fit Cat 5-rated panels into the pre-anchored tracks. Most homes take under 1 hour.

03

After the Storm, Remove and Store

Pull the panels down, fold them up, and store them until next time. Lightweight fabric — easy to handle alone.

Prefer a fully hands-off experience? Ask about our optional Priority Subscriber deployment service.

Starting at

We have enjoyed the summer season in spite of the heat. Participation has been really good, lots of friendly competition and laughs.

We are looking forward to the fall weather and the return of our northern friends.

Please feel welcome to our practice sessions on Mondays and the weekly game of "Horsecollar" on Thursdays. Both events meet at our courts at 9AM.

If you come you will learn the game and meet new people. You do not have to participate in the tournament games in the fall. Just come and enjoy some fellowship with friendly people, we will be glad to see you.

WE ARE LOOKING FORWARD TO SEEING YOU!

WOMEN'S CLUB

Barbara Terry 804-467-1647

Hello Ladies,

We had a nice turnout for the brown-bag lunch on August 12th. We played card bingo and charades, laughed and enjoyed each other's company.

The Executive Board has been focused on planning an agenda for the year 2026-2027. Our first meeting of the year will be here before we know it, October 12th.

We are pleased to announce our lunches will remain at \$7.00 per person, for the upcoming year. Our membership dues will also remain at \$15.00. Payments will commence in September. Three of our meetings will be catered by our guest speakers, and there will be no charges for these lunches. To make things more convenient, you have the following payment options:

- Pre-pay option: You may pre-pay \$43.00. Paying for all of your lunches and your membership dues.
- Pay-as-you-go option: You may pay \$7.00 per lunch, monthly.

We will be collecting the above fee at our Meet & Greet event on Friday, September 11th, 4-6 pm.

Regarding the Meet & Greet, if you are bringing teapots and/or teacups, please bring them to the set-up on Thursday, September 10th, after volleyball at approximately 2:30 pm. We do need help with setup if you have time. You may bring your food items at that time or on Friday no later than 3:00 pm.

Hope to see you soon!

Presentation in Unit 6 by the Pinellas County Property Appraiser open to all in Mainlands

On September 28th, Monday night at 7pm, Mainlands Unit 6 is presenting a member of the Pinellas County Property Appraiser's office at the Unit 6 Clubhouse. Mr. Twitty is going to speak about the proposed Constitutional Amendments on the November ballot concerning our property taxes and Homestead Exemptions.

We want to get good, correct information concerning the proposed amendments so that people are informed when they make their decisions in the ballot booth.

This presentation is open to all residents in Mainlands, but we do ask you to please register beforehand because we do have limited space. Call Mary Klein 727-418-8887 to register.
