Board of Directors President

Peggy Bartolotta-Whyte

It looks like the weather is going to start feeling like fall. Thank goodness!

We had Edgar fix up the front area of the Clubhouse. He added six new bushes and put pretty rocks down that won't blow away. I have had a lot of positive feedback on the area.

The game table was delivered. We are working on ping pong rules. The Board will go over these and make changes or suggestions on the rules. The Board will vote on them at the November meeting.

We are not going to pay for name tags in the future. In fact, I think there are 2 units that use them. The other unit is not providing them and during the interview with new residents we are telling them that they can buy them for $10.00. Not many residents wear them and this will be more cost efficient.

Don't forget, if you need to park at the Clubhouse, you need a parking permit. The Office has them and I have them at my home if you need one.

In the next Forum, we will let you know the outcome of the Master's meeting that was held on October 20th.

Our next meeting will be the Annual meeting on November 14th at 10:30am. Our regular BOD November meeting will follow.
Smile a lot. It costs nothing and is beyond price.

Thank you,

Peggy

WOMEN'S CLUB

Barbara Terry, President 804-467-1647

Greetings Ladies!

Our October meeting was very informative! Our guest speaker, Jasson Green, shared up-to-date information regarding Medicare changes for 2027. Taton Wells, also spoke to us about his medical group, Dedicated Senior Medical. A special thank you to Taton's group for generously providing lunch for our members.

On behalf of the Women's Club, we were proud to present a $600 check to Officer Sorice for the annual Shop with a Cop Program. Each participating child receives $300 to spend, so our donation will help provide a special holiday for 2 children. It's a wonderful feeling knowing that we can help make their holidays a little brighter!

We were also delighted to welcome 2 new members at our October meeting. Please join me in welcoming **Audrey Ziegler and Cindy Stephens** to the hive!

Our food drive is currently underway! Please drop off unexpired, non- perishable food items in the collection boxes located in the Clubhouse. (cont)

Monetary donations are also greatly appreciated. Checks should be made payable to **St. Pete Free Clinic (SPFC).**

Jingle Mingle Holiday Party

Tickets are now on sale! Tickets may be purchased through Judy Zamanillo at 727-822-6659 or at Coffee Connections.

FOREVERHOME KEEPERS
YOUR HOME IN OUR HANDS

Stop Scrambling for Plywood.

Professional Hurricane Shutters — Installed Before Storm Season.

Cat 5-Rated. Florida Product Approved. Licensed Contractor.

HOW IT WORKS

Three Simple Steps to Storm-Ready

01

We Measure and Install

We visit your home, measure every window and door opening, and install a permanent anchor system — done once, lasts for years.

02

You Deploy in Minutes

When a storm watch is issued, slide your custom-fit Cat 5-rated panels into the pre-anchored tracks. Most homes take under 1 hour.

03

After the Storm, Remove and Store

Pull the panels down, fold them up, and store them until next time. Lightweight fabric — easy to handle alone.

Prefer a fully hands-off experience? Ask about our optional Priority Subscriber deployment service.

Starting at

$10/sqft

of window & door coverage

Typical Home Installation

$3,000 - $4,000

10-15 windows & doors, professionally installed

Includes professional measurement, anchor installation, and custom-cut Cat 5-rated fabric panels. Flexible payment options available. Free estimates — no obligation.
